Parish Use of Photos, video, digital images or other communication

St. Mark parish uses various communications to celebrate our community - for example, the weekly bulletin, website, brochures, mailings and newsletters. We document parish events and ministry activities through photos and stories and frequently post this information to the website or in printed/electronic communications. If you have questions about this practice, or do not want your image or those of your family displayed in our communications, please contact Sharon Norman or Patti Barbosa in the parish office at 816-373-2600. Parents with children or your enrolled in parish programs can also discuss photo usage/permissions with that program's ministry leader during the registration process.
